

HEAL 2024

HEALING WITH COUNTRY FOR A SUSTAINABLE FUTURE FOR EVERYONE

26-28 NOVEMBER 2024

Join us at the **HEAL 2024 conference** focusing on the latest research and policy priority setting on human health, climate and environmental change solutions in Australia. This three-day event will connect diverse Australian and international stakeholders from academia, policy, practice, Aboriginal and Torres Strait Islander organisations and local communities.

This innovative conference has a hybrid multi-node format allowing for interactions online and in-person at eight nodes located across Australia.
